

## 2024 Tour Program

**Depart hotel:** 7:00am  
**Return:** 6:30pm approx.

Depart your central Bangkok hotel for Kanchanaburi on the River Kwai and the **Kanchanaburi War Cemetery**. Walk around this beautifully landscaped area and begin to realise why the railway became known as the 'Death Railway'.

Proceed to the Kanchanaburi Railway Station where you will **board the train for a trip on a still operating section of the Burma-Thailand Railway**. Leave the train at Tham Krasae, the site of the spectacular **Wang Pho Viaduct**. Here the POW's built a series of bridges where the railway hugs the cliffs on one side and with a steep drop to the River Kwai on the other.

After lunch, inspect the Wang Pho Viaduct and Krasae Cave before returning to Kanchanaburi and the **Bridge over the River Kwai**. Join others making the pilgrimage across this famous bridge

Visit the **Thailand-Burma Railway Centre**, a museum of world renown overlooking the War Cemetery. Dioramas, artefacts (retrieved from various camps and work sites along the railway) and personal stories of POW's, all combine to give you a better appreciation of the railway story.

Return to your central Bangkok hotel.
